## “Investment Outlook for 2010”

Presented by:  
**Dr Tan Kee Wee**

### Organizer :

**Hong Kong Singapore Business Association**

### Supporting Organizations :

Global markets rebounded from the second quarter of 2009. Many economies recovered in its wake. Will the good times continue? Will year 2010 see more good news or are we now at the edge of a cliff?

Hear from economist **Dr Tan Kee Wee** who will tell you what are the obstacles facing us and what you could do with your money.

### About the Speaker

**TAN Kee Wee** is an independent economist running his investment advisory. Prior to that, he spent many years in the finance industry as an economist, forecasting the financial markets and global economies.

Dr Tan started off his career in 1988 as a journalist with the Business Times. He had then just secured his PhD in Economics from the University of East Anglia in Britain.

Despite spending most of his career in the business world, he has kept in touch with academia. In 1999-2001, he was appointed as an Adjunct Associate Professor of Economics at the National University of Singapore. He continues to give lectures to undergraduates.
